

The 2009 AUW campaign season will be on us soon, help in our fund raising efforts by re-directing your AUW contributions to Junior Achievement of Hawaii. If you have not done this before, this is very easy to do.

On the attached pledge form in the Optional Donor Choice Form, Section D, input the Code# **71050** (for Junior Achievement of Hawaii) in the boxes, indicate the amount of your contribution and process through your company's normal channel. That's it. AUW will do the rest by forwarding any dollars designated directly to Junior Achievement, and this includes any payroll or EFT deductions.

Thank You for your support of Junior Achievement of Hawaii".
